Clay cemetery is on the northeast corner of the intersection of Old Springville Road and Clay Palmerdale Road, beside the church in Clay, Alabama.

This cemetery is owned and maintained by the Clay United Methodist Church, which was founded about 1840 as the Shiloh Methodist Church. It was also named Cedar Mountain Methodist Church for a period of time. It became the Clay United Methodist about 1968.

This cemetery is in excellent condition and appears to be very well maintained. A few stones have been broken but repairs have been made on most of them. It is an active cemetery. It is located at the rear of the church and there are dwellings on three sides. It is not fenced. It appears to be at about eighty percent of capacity.

This transcription was conducted on Feb 22, 2007, ending on Mar 02, 2007, and it is a complete transcription of all readable stones in the cemetery.
