Buzbee Road runs east from Centerpoint Parkway, otherwise known as Alabama Highway 75, loops around and reenters the parkway about a half block further north, within the city limits of Pinson.

This cemetery is now owned by Barbara Wise. She can be contacted at [babswise@bellsouth.net](mailto:babswise@bellsouth.net)

The earliest burial appears to be that of Robert L. Taylor on Jan 19, 1971. There are over 400 surnames represented in this cemetery and there are over 150 military veterans buried here. Some markers have been removed by vandals but I have been able to reconstruct most of the information.

I completed this transcription of the cemetery on Jun 05, 2007. It is a complete transcription of legible stones in the cemetery.
